2021 INDIANA CHEER CHAMPIONSHIP

RULES AND PROCEDURES

#ICC21

SAFETY:

1. All schools competing in the Indiana Cheer Championship must have at least 1 coach view the Rules Update Session.
2. All team and individual routines must comply with the 2021 - 2022 National Federation of High School Association (NFHS) Rules.
3. In addition to the NFHS Rules, squads competing in Junior High divisions are prohibited from performing all tosses in accordance with published updated cheerleading rules from USA Cheer Cheerleading Safety Manual.
4. Coaches must be familiar with all NFHS Spirit Rules.

ELIGIBILITY:

1. Participating schools must be a paid member of the IASP Department of Student Programs.
2. Each cheerleader must be an active member in good standing of the school he/she represents, and be a full Fall/Winter season 2021-2022 cheerleader for a school sports team (football, basketball, volleyball, etc.) When the cheer coach and the principal sign the entry form, they are each verifying this requirement. One game does not constitute a full season.
3. The coach must register each team member through an online roster form to be posted at www.iasp.org. Coaches must register any squad members that might compete, including alternates, when submitting the team roster. Any squad member who is considered to be an alternate by the coach, per eligibility rules, may still only be on one team roster (i.e. A squad member may not be listed as a competing member on a JV team and also as an alternate of a Varsity team)
4. A cheerleader can be on the roster for ONLY 1 team, with the exception of a cheerleader on a Time-Out team, who is also a member of a Junior High, Freshman, Junior Varsity or Varsity team. If after the roster submission deadline, a coach would need a cheerleader to compete on a 2nd team (i.e. a JV cheerleader filling a hole on a Varsity squad), the coach must submit that request to Chris Hammer via email (chammer@iasp.org), and also mail/fax (317.454.0749) a paper copy signed by the principal or athletic director. Each request will be considered on an individual basis. Changes/additions will NOT be accepted the day of competition.
5. Varsity squads who qualify for Finals must compete with the same roster as the Preliminary Round, unless a roster change has been approved by the IASP office prior to the event. Changes must be submitted to Chris Hammer via email (chammer@iasp.org), and will be considered on an individual basis.
6. Squads from a single school may be combined; however, squads who combine must compete in the higher division. For example, a Freshman squad and Junior Varsity squad that combine must compete in the Junior Varsity division. Squads may NOT combine across multiple schools/buildings (i.e. 2 middle schools that feed into the same high school)
7. Performance order at all competitions is done by random draw. If there is a same-day scheduling conflict, the coach may contact the IASP office and make them aware of this conflict by emailing Chris Hammer (chammer@iasp.org), and also mailing/faxing (317.454.0749) a paper copy signed by the principal or athletic director, before the schedule has been posted. IASP will try to accommodate the school's request when scheduling, and will accommodate multiple requests based on a first come, first served basis.
8. A coach/adult designee must accompany each team. It is the responsibility of that person to check the squad in at the registration table upon arrival.
9. IASP requires a Physical Sign-Off Form to be signed by the school principal, athletic director and cheer coach stating that all registered team members have a current IHSA Physical form on file at the school. Please be advised, due to liability issues, coaches will NOT be allowed to bring the Physical Sign-Off Form to the contest site, rather they must be on file in the IASP office.

 - If fewer than three squads are entered in any division, the competition director may choose to combine divisions in order to maintain a competitive balance.
2. Time-Out Division Team Event:

This division is intended to recognize teams who are excelling at, and improving their skills in, leading and communicating with a crowd. Teams will have 1 minute 15 seconds to lead cheers, chants, or traditional crowd oriented material in an environment comparable to a basketball game time-out. No music or recordings will be allowed. Junior High teams will compete one time for awards and High School teams will compete in a prelims/finals format with the prelims being contested virtually.
3. Partner Stunt Groups (Maximum of 5 Individuals) Competition:

Any high school group of five or fewer participants may compete, with no limit to the number of groups from each school. Cheerleaders may only compete with one Partner Stunt Group. Routines will be submitted electronically, or **via the “Coach’s Eye” App***. *Placement awards will be determined from the submitted videos, and there will no longer be a live performance for these divisions.* Music is required. Words may be used. Total performance time may not exceed one minute (1:00). **See additional rules below
4. All-State Individual Competition:

The All-State Team will be chosen from routines submitted electronically or, **via the “Coach’s Eye” App***. The All-State Individual competition will be limited to members of the current school year graduating class who will be participating in this year’s Indiana Cheer Championship, but there is no limit to the number of seniors who may compete from each school. Total performance time may not exceed one minute (1:00). Music is not required, but if used may not exceed 30 seconds (:30) of the performance. A verbal cheer portion is required. Proper use of props is allowed. A judging team will designate the top 12 scoring entries as the All-State Cheer team. Each All-State Team member will be awarded a \$250 scholarship, and an All-State Team patch. Each of the 12 team members will be invited to participate in an exhibition performance prior to the State Finals awards ceremony. All Individual Applicants are asked to **submit a picture of themselves in uniform (posed or action is acceptable)** to be used in the program in the event that they are selected to the All-State Team. **See additional rules below
5. Academic All-State Individual Competition:

Senior cheerleaders who competed in a team event in the past fall’s Indiana Cheer Championship are eligible to apply to be part of the Academic All-State Team. Application forms will be sent to all competing high school coaches in January. There is NO COST to apply, and no limit to the number of seniors who may apply from each participating school. The top 12 Cheerleaders will be selected to the Academic All-State team. The top scoring individual will receive a \$1,000 scholarship and all other members of the team will receive \$100 scholarships.

* Those entering the Partner Stunt Group and/or All-State Individual competition can submit their routine via the Coach’s Eye App, available for purchase (\$4.99) on iPhone, Android and Windows. If using the app, videos must be emailed to individual.psg.entries@gmail.com.

** PLEASE PROVIDE INTRODUCTION OF THE GROUP OR INDIVIDUAL PRIOR TO BEGINNING THE ROUTINE. This can be as brief as “This is the <school> Stunt Group Team (specify if more than one from your school)”. The intro should be done from the opening positions for the routine, and must proceed straight into the routine without stopping the recording. Submissions must be of a continuous one minute (1:00) routine (NOT a longer routine edited to fit the time restraints). Edited submissions will not be judged. The one minute (1:00) time limit does not start until the routine begins. All stated contest and NFHS rules apply. Teams may perform their routine as many times as desired to achieve their best effort, however, only one submission per team will be accepted for judging. Please remember to send a recording with clear audio and visual quality. Partner Stunt Group participants and All-State Individual competitors must also be members of a squad participating in a team event.

RULES AND PROCEDURES

#ICC21

CONTEST PROCEDURES:

1. Nine 6' x 42' mats will compose the competition floor (54' x 42'). A squad may use the entire area although it is not required to use all mats.
2. Each team will be assigned a time in a warm-up area. The warm-up area will be supervised, but no judging will take place there. Warm-up personnel are not judges.
3. Total performance time:
 - Junior High, Freshman, JV, Varsity, Coed Team Events - Total performance time shall not exceed two minutes and thirty seconds (2:30). Music may be used but is not required. If used, music may not exceed one minute and forty-five seconds (1:45) of the routine. A verbal cheer portion is required; the routine may not consist entirely of music.
 - Time-Out Team Event - Total performance time shall not exceed 1 minute and 15 seconds (1:15); this includes entry and exit. No music or recordings will be allowed.
 - All-Girl Partner Stunt Group - Total performance time shall not exceed one minute (1:00). Music is required. Words may be used.
 - All-State Individual Competition - Total performance time shall not exceed one minute (1:00). Music is not required.
4. Pre-performance announcements will follow the same three-step process (all divisions EXCEPT Time-Out:)
 - Before each performance, the announcer will name the groups "In The Hole", "On Deck", and "Up Next". When a team is announced "Next To Perform", they should move to stand beside the performance floor (either side or back entrance)
 - The announcer will say "X Team, You may take the floor." The team may then move onto the mats, pre-set any props, and get into position to begin their performance.
 - The Announcer will say "X Team, You may begin when ready." Timing begins with the first movement or sound, and ends with a wave or signal to the judges.
5. The Time-Out division will enter and exit by the following process:
 - A buzzer will begin the performance time. Teams may not enter the performance area until the performance time begins. No props, signs, poms, etc will be permitted to be pre-set.
 - A warning sound will be given when 15 seconds (:15) are left in the performance time.
 - A buzzer will end the performance time. All cheerleaders and props must be off the performance floor by the final buzzer.
6. Any repeat, recovery, or restarting of time is permitted ONLY with permission from the contest director. The squad may be assessed an overtime penalty if the time limit is exceeded.
7. Poms, megaphones, signs, and flags are the only props allowed.
8. Qualified judges covering a wide range of cheering styles will be selected. Judges will use the competition score sheets available on the Indiana Cheer Championship website. The decision of the judges is final.

2021 INDIANA CHEER CHAMPIONSHIP

MUSIC COPYRIGHT COMPLIANCE

#ICC21

All copyright permissions must be properly and completely obtained by the individual or group that is responsible for creating the routine music for a team. All recordings mixed together in cheer routines should be properly licensed and written confirmation of such licenses should be provided to the Indiana Cheer Championship.

You may use recordings that are purchased from vendors that comply with US Copyright laws or create/commission original works for your team (i.e. an original song and recording to which you own or license the rights by written agreement). Under US Copyright law, no teams are permitted to create a re-mix, mash-up or medley without proper written authorization from the copyright owners.

US Copyright laws apply any time music is not being used for personal use. Purchasing a legal copy of a song (iTunes, CD, Amazon download, etc.) only grants the user private, personal use of the music. If you purchase a recording, that alone does not give you the right to make additional copies or mix the recording with other recordings for any other purpose--including use at school functions or other public performances. Personal use gives you the right to listen to the song, but does not give you any other rights in the bundle of rights to that piece of music, which is why the music should not be copied, modified or used in a public place without additional consent.

However, if teams wish to use only a single song in their routine, they may bring a legally purchased copy of that recording to be used at the event. Teams may not re-mix these recordings in any way (such as adding sound effects, changing tempo or mixing with any other recordings), but you may make minor edits for timing purposes only (i.e. removing a chorus or bridge to fit the duration of the music time limit).

Remember:

- Do not use mash-ups, either created by you or sold by music providers using music without proper licensing.
- Do not download songs from sites that do not have properly licensed music.
- Do not copy or distribute to others a recording you have legally purchased.
- Licenses/Permissions must be received in writing (or email) and must be provided to you by all copyright owners.
- If you request a license and you get no response, this does NOT mean that you have permission to use the music.

Coaches are responsible for ensuring that the music used by their teams for any public performance and all competitions follows the above guidelines.

Guidelines for Music Providers:

- When recordings and compositions are completely original:
 1. All elements in the recordings, including instrumentation and vocal performances, are owned or controlled by the music provider. If any elements are not owned or controlled by the music provider, the music provider must obtain the appropriate licenses from the applicable copyright owners to edit, re-arrange or otherwise alter such works to create a new work for your team.
 2. If teams want to create their own re-mix or otherwise edit any music purchased from a provider of original music, their license agreement with such providers of original music must also specifically include this right to edit, re-arrange or otherwise alter works.
- When recordings are cover recordings of popular music:
 1. Guidelines provide that cover recordings of popular music may be used in re-mixes only if the purchase/license of the cover recording includes an explicit right to alter the cover recordings and create new works from these cover recording elements.
- Unlicensed samples may not be used in routine music.
 1. No unauthorized third party recordings may be used in any way in the new recordings without a proper license. "Sampling" a series of words or beats from any recording is not permitted unless an appropriate written sampling license was obtained.
- Music providers should allow each team to make up to 40 copies of the recordings.
 1. A mechanical license fee may need to be paid to reproduce copyrighted musical compositions on CDs, records, downloads, etc. If the music provider does not own or control the underlying musical composition, they will need to obtain a mechanical license to make copies of each recording. The music provider is responsible for obtaining the mechanical license and paying any royalties for each copy made--this includes the copy provided upon your initial purchase of the recording, any subsequent recordings in which they are incorporated, and any additional copies that will be distributed to the team.
