

The Indiana Association of School Principals (IASP) is proud to present the Rising Stars of Indiana Class of 2025. Each Indiana high school was invited to recognize up to four students currently in the 11th grade, based on their academic achievement. The Class of 2025 is surely promised success with the list of scholars below.

Please join IASP in congratulating these students on all they have already achieved, as well as offering support and encouragement as they continue their accomplishments and expand their knowledge, growth and leadership skills well into the future.

**Achieve Virtual Education Academy
Indianapolis**
