AREA/STATE ACADEMIC SUPER BOWL ROSTER

Read directions, and then scroll down to fill in roster names.

Instructions for Coaches:

- Make sure that you are typing on the tab for your school!
- You may add to or edit your sheet up until the Area contest begins.
- Type your students' names in the roster form in alphabetical order.
- Mark an X in the red cells under the subjects in which they are competing.
- . If you have two squads in a subject, mark the subject cell XA or XB for which squad they will represent.
- Mark the captains in the red subject cells with a C as well. Example: Bert Jones XAC
- DO NOT mark the check boxes. That will be done by the proctor.

MAKE SURE THAT EVERY MEMBER OF YOUR TEAM IS ON THE ROSTER!
ONLY THOSE STUDENTS LISTED ON THE ROSTER ARE ELIGIBLE TO COMPETE AT AREA OR AT STATE!

Instructions for Proctors:

- When checking in a student for a round, make sure that the student is on the roster, marked for the current round, and is not competing in more than 2 subject area rounds + 1 interdisciplinary (ID) round.
- Click the check box for the round where the student is competing.
- Make sure that there are no more than 6 students marked for a subject round, (7 for the ID round).

This is what the Google Roster Form will look like with the directions you will need to fill it out online.

The link to fill it out will be sent to you by your Area Host approximately 1 week before the Area Contest! You must have it completed when the Area Contest starts.
