Instructions for Coaches:

Type your students' full names in the roster form in alphabetical order.
 Make sure that you are typing on the tab for your school!
 You may add to or edit your sheet up until the contest begins.

Instructions for Contestants:

When you come to the contestant's table, type your first name and last initial in the box next to the round you will be competing in. If you have two squads you will also use the additional column.

Instructions for Proctors:

When checking in a student for a round, make sure that the student is on the roster, has not competed before, and types in their first name and last initial in the correct round.
