

From the "Pitt" to the Classroom

A Year of Growth, Trust, and Learning

The Usual Goal!

- A year of intention, growth, collaboration, and continuous improvement.

The Inspiration

Inspired by the TV show Pitt: a learning hospital where professionals learn in real time while doing meaningful work.

Goal: Become a true learning school where everyone learns.

Educational Impact

- Built a true learning school culture
- Strengthened teacher practice through observation and reflection
- Increased collaborative problem-solving
- Promoted continuous improvement for staff and students
- Embedded professional learning into daily work

The Foundation

- Instructional Leadership Team (ILT)
- Strong Professional Learning Communities (PLCs)
- A culture built on trust
- Open doors and shared learning

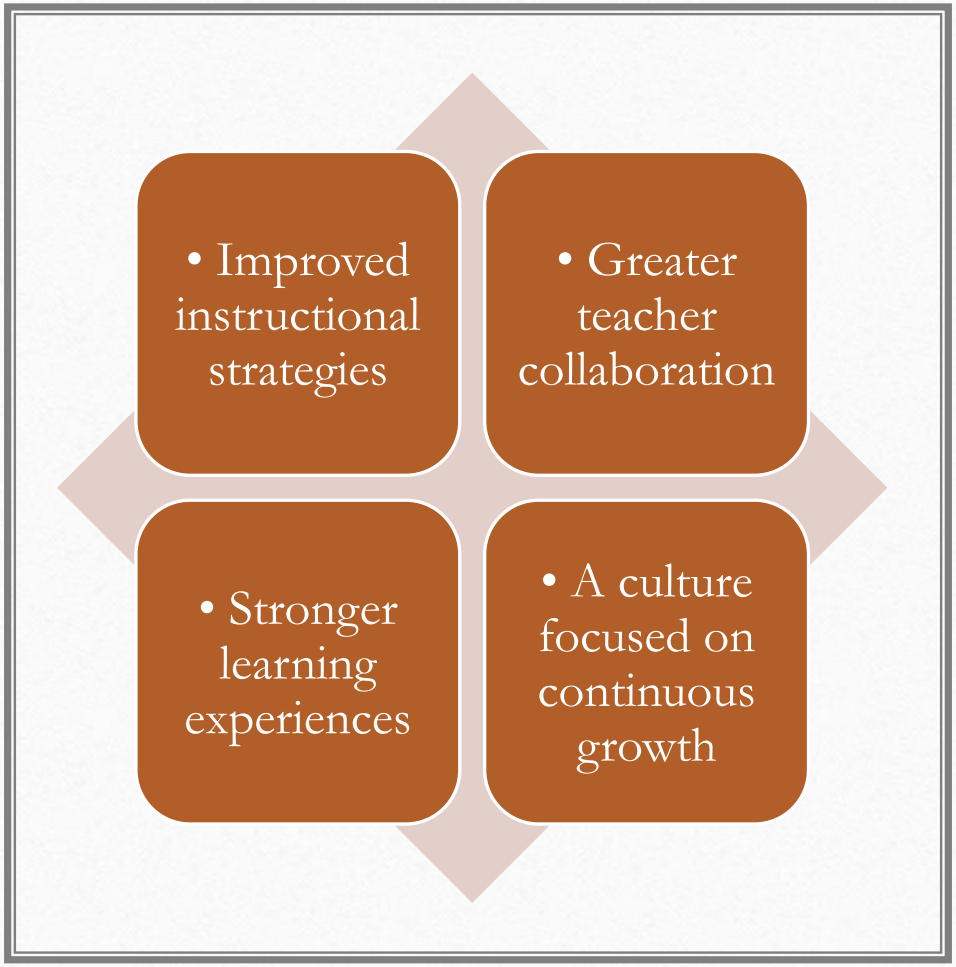

Learning Walks

- Not evaluations or gotcha moments.
- Opportunities to learn from one another, share practices, and spark professional dialogue.

Impact on Staff

- Increased collaboration
- Cross-grade learning
- Deeper conversations
- Shared ownership of school success
- Greater reflection on instructional practices

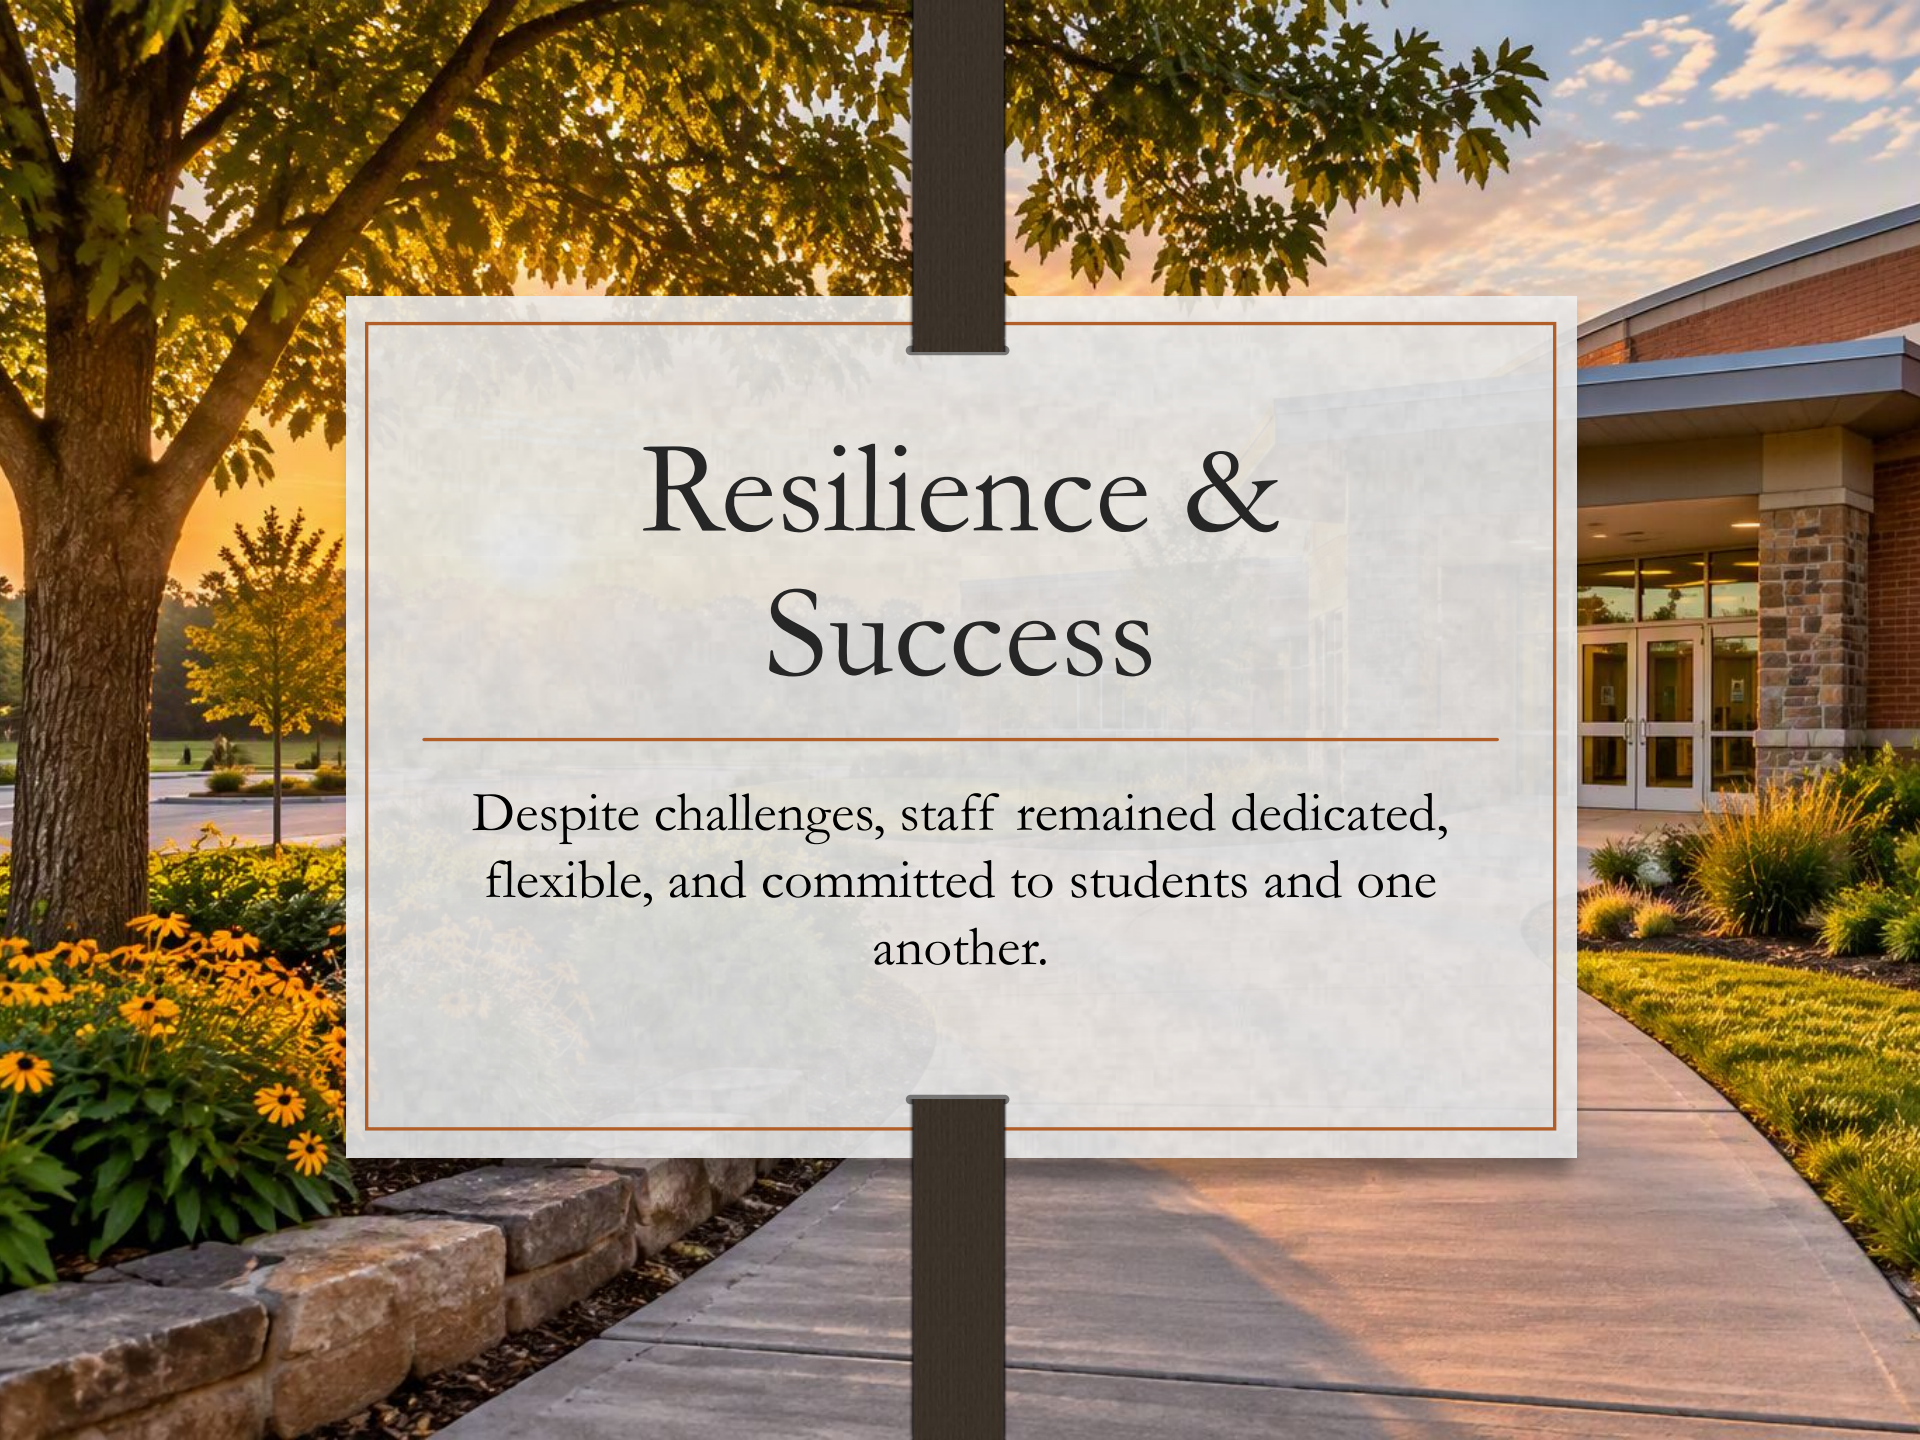

Impact on Students

Culture Shift

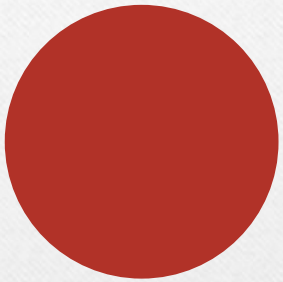

- From “my classroom” to “our school.”
- A culture where people feel safe to try, fail, ask questions, and grow.

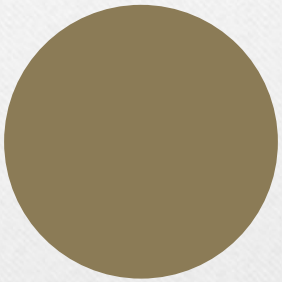

Resilience & Success

Despite challenges, staff remained dedicated, flexible, and committed to students and one another.

Looking Ahead

WHAT WE BUILT THIS YEAR IS ONLY THE BEGINNING.

CONTINUE LEARNING, COLLABORATING, AND GROWING TOGETHER.

THANK YOU!
